## Making Your Will

EMG Solicitors in association with Durham Wildlife Trust are pleased to provide you with advice on any aspect of your later life planning and as a special offer for Durham Wildlife Trust members, we are offering 10% off our fee for making your Will.

At EMG Solicitors we create a bespoke Will for your particular circumstances. This is particularly important if there are extended families or people who have remarried or for vulnerable family members. You can also deal with other important issues through your Will like the appointment of guardians if you were to die leaving minor children. Ideally you should review your Will every 5 years or whenever there is a change in your personal circumstances for instance a birth, death, marriage or divorce.

Anyone who wants to ensure their loved ones are properly provided for after their death needs to make a Will – but it's not just about leaving a list of who will get what. If you do not make a Will the intestacy rules will apply to your estate and under these rules an unmarried partner will receive nothing, and even a spouse or civil partner will not necessarily receive everything. Apart from the inequity, this can lead to expensive claims against your estate.

## Leaving a Gift in your Will

Why not also consider leaving a gift in your Will through our trusted team?

This is the simple process of making a planned donation, through designating a part of an individual's estate to a chosen charity. The donation is then made once the Will is enacted and allows the donor to create a lasting philanthropic legacy.

At EMG Solicitors, we also take the time to understand you and your circumstances and always offer clear practical advice, helping you to understand your options whilst keeping everything as simple as we can.

Our private client team is nationally recognised in the Legal 500 - the UK's leading guide to law firms and our team are happy to discuss your requirements either face to face, by video or telephone call.

Our Wills, Trusts & Probate Team, specialises in the drafting of Wills, Trusts and Powers of Attorney, as well as inheritance tax planning, mental capacity, estate and trust administration and asset protection.

*'The Wildlife Trusts play a very important part in protecting our natural heritage. I would encourage anyone who cares about wildlife to join them.'*  
- Sir David Attenborough

## Leaving a Gift in your Will to Durham Wildlife Trust

With nature reserves stretching from the heart of urban Gateshead to the wilds of Baldersdale, Durham Wildlife Trust is helping to secure a future for wildlife across the North East. By its nature, our work is also tackling the climate and ecological emergency.

Our mission is to restore wildlife by actively managing our nature reserves so that a rich variety of plants and animals can thrive. With species and habitat conservation projects, such as saving the water vole from extinction and protecting vulnerable populations of small pearl boarded fritillary butterflies, at the heart of what we do.

We understand that a healthy natural environment is essential to people's health and well-being. Our volunteering and engagement work aims to ensure that everyone can experience and connect with wildlife.

All this is made possible through the wonderful and generous support of our members. Leaving a gift in your will to Durham Wildlife Trust means that your support lives on for generations.

Your gift, no matter the size, will allow your passion for wildlife to live on so that others can enjoy the wildlife and wild places that you love, for years to come.
